

TUFF TANK

TRANSPORT TANKS (HORIZONTAL LEG TANK)

TRANSPORT TANK FEATURES:

EASY TO INSTALL

Pre-installed outlet drain fitting on one end makes plumbing hookup easy.

SEAMLESS DESIGN

One-piece, seamless, watertight tank.

STURDY SUPPORT

Legs prevents turbulence to reduce sloshing and allow for easy securing for transport.

DURABLE RAW MATERIAL

Manufactured of polyethylene by means of the rotational molding process.

FDA COMPLIANT

100% FDA compliant materials thus safe for storage of water and will not impart any taste or residue.
